

# FREE ONLINE MEDICATION SUPPORT GROUPS FOR PARKINSON DISEASE

FEBRUARY-APRIL 2024

Developed in collaboration with Parkinson Wellness Projects and the BRAIN Team at the Faculty of Pharmaceutical Sciences, University of British Columbia.

Pharmacy students will be facilitating medication support groups under the supervision of registered pharmacists that have experience working with patients with Parkinson Disease (PD).

These sessions are open to anyone interested in learning more about PD! There will be a total of 3 sessions. Each session will be 1 hour long and involve an education session followed by a Q&A period where you will have the opportunity to ask medication-related questions.

Please join registered pharmacists Amy Tran and Larry Leung for the following sessions:

Medication Management of Motor Symptoms in PD	Sat February 3 10-11am
Medication Management of Motor Fluctuations and Dyskinesias in PD	Sat March 9 10-11am
Medication Management of Non-Motor Symptoms in PD	Sat April 6 10-11am

If you are interested in participating, please
